7 (Protection), 9 (Age), 13 (Horse Welfare), 14 (Abuse of Horses), 15 (Exchanging Horses) and 20 (Personal Accident Insurance).

STEWARDS There shall be one or more Stewards appointed by each event organiser whose decision in respect of these Rules and of Discipline shall be final, except by later appeal to the Governing Body on payment of a deposit of £50. Mounted Stewards will be on the course with authority to stop any competitor continuing on an exhausted horse or ill treating their horse. If they are not obeyed the whole team may be eliminated.

SAFETY AND PROTECTION

Crash Helmets – It is compulsory for anyone taking part in an MFHA regulated Team Chase to have a hat that has been checked and complies with the standard required by the MFHA Rules, and is colour-tagged to confirm as such. To implement this change, please note: It is compulsory for competitors to wear crash helmets to current recognised Safety Standards, and which are identified by a Team Chasing, BE, BRC, BSA or Pony Club approved Hat Tag. I.e. Hats must meet one of the following standards: British All PAS015, BSEN1384 or European EN1384 provided they are BSI kitemarked or SEI. American All SEI ASTM 35, ASTM F1163-2004, SNEEL E2001. Australian and New Zealand All AS/NZS 3838 Competitors are strongly recommended to check their hats regularly and to replace them if damaged or following a fall. BSA approved hats with fixed peaks will not be permitted in Team Chasing from 1st September 2024 onwards. All those mounted at an event (including grooms and helpers) must wear a hard hat complying to the above standard when mounted.

Body Protectors: All competitors must also wear a British Equestrian Trade Association (BETA) approved and appropriately labelled Level 3 body protector manufactured in the year 2000 or after. Air jackets do not meet the required standard, unless worn with / over a standard BETA-approved body protector. This will be reiterated in a pre-season message to all event organisers. Competitors are strongly recommended to check their body protectors on a regular basis and replace them if damaged or following a fall and are advised that the body protector should impede neither flexibility nor balance.

All horses being ridden at an event, including riding in exercise areas, must be ridden in a bridle with reins directly attached to a bit or leather 'D' rings or attached as per the manufacturer's specification to a purpose designed bitless bridle (such as a mechanical or jumping hackamore, Dr Cook, Sidepull or Scawbrig).

Guidelines for Competitors:

If your hat has not been colour-tagged previously, please take it to the Secretary's Tent at the next Team Chase where you intend to compete, and ask the Organiser of that event to check the hat and to provide you with a tag which will indicate to all subsequent events that the hat complies with the required standards

RIDERS AGE AND EXPERIENCE

No person shall ride until they have attained the age of sixteen in any Open, Intermediate or Novice Classes which are run against the clock and all riders competing in such classes should ensure that they have had appropriate experience of cross country riding. At the discretion of Organisers riders under the age of sixteen may be permitted to compete in classes judged against the "bogey" time.

VETERINARY MATTERS AND PAYMENT FOR SERVICES: The decision of the course Vet to put a horse down on humane grounds must be accepted by all competitors. Competitors will be expected to pay for any services received from the veterinary surgeon,

ABUSE OF HORSES: Any act or series of actions, which in the opinion of the Stewards constitutes abuse of a horse shall be considered to be a breach of these Rules and will incur elimination. No rider may exchange horses once a team has started. No horse may start more than once in any class.

FALLS-ELIMINATION

(a) Horse Falls - When a horse falls during any class, the competitor is immediately eliminated and must retire. If the competitor does continue on the course following a horse fall their team will be eliminated. *A horse is considered to have fallen when at the same time its shoulder and quarters have touched either the ground or the obstacle and the ground, or when it is trapped in a fence in such a way that it is unable to proceed without assistance or is liable to injure itself. This does not prevent horses which stumble or thus unsaddling the rider, from being remounted to continue, subject to rule 16 (b).*

16 (b) Rider Falls - After two falls which are not Horse Falls the competitor is immediately eliminated and must retire. If the competitor does continue on the course following two Rider Falls their team will be eliminated. REFUSALS The number of refusals shall not exceed three at any one fence, or five on the course per horse, when the competitor shall be eliminated and must leave the course at once. The Team will be disqualified for an abuse of these rules by any individual member.
